

ICEBREAKER: What’s the hardest decision you’ve had to make in your life so far?

GETTING REAL: Amelia shared about the trade-offs involved in every decision we make. What trade-offs have you faced in relation to work, study, relationships, church, money and home?

BIBLE: Read Romans 12:1-2. What pressures do you experience to conform to a certain way of thinking & living? In what ways might God want to transform your mind to align with His will?

APPLICATION: Is there a particular decision you’re wrestling with right now? How can you discern God’s wisdom and will for you in it?

PRAYER: Ask God to help you know & do His will.
