

ICEBREAKER: What have been your experiences with churches from different denominations?

GETTING REAL: Andrew shared about the big challenges to faith right now, both in society and the church. How has your faith been impacted by these challenges over the past few years?

BIBLE: Read John 17:20-23. The call to be united as Christians is found throughout the NT (e.g. Eph 4, 1 Cor 12 and many others!). Why is it so hard? Why do some Christians stop pursuing it?

APPLICATION: Andrew shared about starting 360 Faith because of the opportunities for unity, discipleship & witness among young adults today. What practical steps towards unity can you take?
