

**ICEBREAKER:** What is your neighbourhood? What are the people and places you regularly visit?

**GETTING REAL:** Andrew shared three responses we can have when we look at our neighbourhood: 1) “everyone seems fine”; 2) “I know there’s need but I don’t know what to do”; 3) “stay in my lane”. Which of these can you relate to feeling?

**BIBLE:** Read Matthew 9:35-38. Jesus saw the great needs of the crowd around him and had compassion on them. Why do you think Jesus told his disciples to pray for workers (shepherds)?

**APPLICATION:** What opportunities do you have in your neighbourhood to enter into people’s need, with compassion, and help them in Jesus’ name?

**PRAYER:** Ask God to help you be a “worker” today.
