

ICEBREAKER: What was your first job? How did you feel when you arrived on your first day?

GETTING REAL: Kara shared about feeling overwhelmed by the demands of work and the negative culture of the workplace. How have you felt as a Christian in your workplace(s)?

BIBLE: The bible tells us of God’s original plan for work (Genesis 1:26-28, 2:15), the curse of the ground due to sin (Genesis 3:17-19), and Jesus’ mission to reconcile all things (Colossians 1:20). How does this help your perspective on work?

APPLICATION: What opportunities do you have in your workplace to continue Jesus’ mission of reconciliation, and build real community there?

PRAYER: Ask God to help you live for him at work.
