

**ICEBREAKER:** What hobbies, sports or community groups are you involved with?

**GETTING REAL:** Sarina shared three pieces of advice about building Christian community: 1) anyone can do it; 2) it can start small; and 3) use what you love. How do these apply to you?

**BIBLE:** Read Isaiah 6. Isaiah expresses two truths that were also present in Sarina’s story: feeling unworthy and yet being willing to do what God asks. Do you think sometimes your feelings of unworthiness stop you from being willing to act?

**APPLICATION:** What interest, hobby, sport or group do you have the opportunity to build community around? How will you do this?

**PRAYER:** Ask God to help you be willing to obey.
